## August/September 2018

### Registration Packet

I am so glad that you have decided to join this exciting travel opportunity. It will be an exciting time as we explore Bali and learn about the different areas that had a great influence on the Island's development and trade as well as journey into the Balinese Batik culture which has existed for centuries.

#### IMPORTANT INFORMATION

On the following pages you will find registration forms for this tour. Please PRINT and fill out all forms **IN ALL CAPITAL LETTERS** completely, as well as the decline insurance and credit card information forms as applicable. Payments will only be accepted in US funds.

You are free to purchase travel insurance from any carrier. However, it is particularly important that should you decline the optional insurance, for any reason, you **MUST** include a signed 'Decline Insurance' form or your registration will not be processed. I feel that travel insurance protection is particularly valuable, and is not just cancellation insurance, but covers medical needs, unexpected departure for emergencies at home, etc. Full benefits can be reviewed on this tour's website at "INSURANCE INFORMATION".

Please be certain that your passport will still be valid for 6 months after return from the tour, March 3, 2019.

Please review and understand the terms and conditions found online as indicated by the link from the tour website regarding penalties and refunds. The final payment deadline is May 15, 2018. Should someone register after this date, full payment is due at time of registration and space/prices are subject to availability. Please register early as spaces cannot be guaranteed.

Round trip airfare is included in the price of this tour when that option is selected. However, airline fuel surcharges and International taxes are not and will be added onto the price of the tour at the final payment deadline. This charge fluctuates daily and cannot be determined until actually ticketed.

Please do not make air arrangements to SFO until you the tour has been confirmed as a go. Only registrations received by May 15, 2017 will be guaranteed airfare with tour pricing at the current rate.

Optional Tours: The following tours are being included as an option for your enjoyment. These have been very popular with past visitors.

During the day, you will also have an opportunity to become more acquainted with the Balinese culture, including additional village visits and stops for Temple Celebrations or other traditional event as they occur. Our guide is able to take you off the beaten tourist path into the real Balinese culture. Lunch is included at a restaurant in the hills affording you an unparalleled view of Bali's rice terraces.
